

REMARKS/ARGUMENTS

Favorable consideration of this application, as presently amended, is respectfully requested.

By the present Preliminary Amendment, the specification is amended to refer to an additional background art. Further, an Abstract is submitted herein.

Claims 1-7 are also canceled without prejudice and new claims 8-14 are presented for examination. New claims 8-14 are deemed to be self-evident from the original disclosure, including the original claims, and thus are not deemed to raise any issues of new matter. New claims 8-14 are also not believed to be more narrow in scope in any aspect in comparison with canceled claims 1-7.

The present application is believed to be in condition for a full and thorough examination on the merits. An early and favorable consideration of the present application is hereby respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
